Registration Information for Payment by Check or Purchase Order

There are three registration options for participants; on-campus single accommodation, off-campus accommodation, and on-campus family accommodation.

In 2017 there is one course offered, "Interpretation of Infrared and Raman Spectra."

The information we need is as follows:

Full name of the registrant

Full address of the registrant

Telephone and cell numbers

Email address

Course or courses to be taken

Accommodation choice (if on-campus single accommodation is requested we need to know if the participant is male or female)

If a meal plan or Lobster Bake is requested please provide the entree choice (lobster, steak, chicken, or vegetarian plate)

Full billing information if submitting a P.O.

On-Campus Single Accommodation:

On-campus single accommodation includes tuition, materials, room, and board from Sunday evening, July 9, 2017 through Friday noon, July 14, 2017. Meals are served at the campus dining hall and the course Lobster Bake, held at the Cram Alumni House, is included. Housing is in one of the campus dormitories and each participant has a private bedroom within a four-person quad. A bathroom and common room are shared by the quad residents. Quad apartments are segregated by male and female occupancy.

The registration fee for on-campus single accommodation is \$2800 per course.

Off-Campus Accommodation:

Participants may stay off-campus for the course and the registration fee includes tuition and materials. On-campus meal plans are available, and a full meal plan includes the Lobster Bake. If the meal plan is not purchased, there is the option to purchase the Lobster Bake separately.

The registration fee for off-campus accommodation is \$2500 per course.

Meal plans and the Lobster Bake are listed below.

On-Campus Family Accommodation:

A limited number of quad apartments is available for each course. As the number is very limited the College will offer these only to couples or families; they will not be available for individuals. The quad apartments are the same as those for single accommodation, but the entire quad is made available. There are no cooking facilities and meal plans are available at additional cost. Meal plans, that include the Lobster Bake, are available for adults and children, or the Lobster Bake can be purchased separately.

The registration fee for on-campus quad apartment accommodation is \$2600 per course.

Meal Plans:

Adult meal plan, includes Lobster Bake, and provides all meals from Sunday dinner before the course through Friday lunch, the last day of the course.

Price: \$300.

Please specify Lobster Bake choice: lobster, steak, chicken, or vegetarian plate.

Child meal plan, includes Lobster Bake, and provides all meals from Sunday dinner before the course through Friday lunch, the last day of the course.

Price: \$150.

Lobster Bake meal is Chef's Choice.

Lobster Bake:

If a participant does not have a meal plan and wishes to attend the Lobster Bake (held the Monday evening of each course). Lobster Bake tickets must be purchased at least two weeks before the course as the College must order the lobsters early.

Adult Lobster Bake ticket price: \$55.

Please specify Lobster Bake choice: lobster, steak, chicken, or vegetarian plate.

Child Lobster Bake ticket price: \$30.

Child Lobster Bake meal is Chef's Choice.
